

Momentum Group publishes Annual Report 2017/18

Momentum Group publishes its Annual Report for the 2017/18 financial year on the Company's website today.

The Annual Report is available at www.momentum.group/en/investor-relations/reports where it can be downloaded as PDF in Swedish and English.

"For Momentum Group, this first financial year as an independent listed company has been eventful, shown positive progress and we have taken many important steps in our journey of improvements toward sustainable profitability," states Ulf Lilius, President & CEO, in Momentum Group's Annual Report 2017/18. "We will continue along the established path, with earnings growth combined with reduced funds tied up in working capital high on the agenda for increased profitability. Customer proximity and the adaptation of our offerings, logistics and sales channels, both local and digital, as well as acquisitions of successful niche companies will enable us to continue to become *better than yesterday.*"
