

Proposal by the Board of Directors of Alligo AB (publ), reg.no 559072-1352 (“Alligo” or the “Company”) for resolution at the Annual General Meeting on 20 May 2026 regarding authorisation for the Board of Directors to resolve on acquisition and transfer of own shares

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board, during the period until the next Annual General Meeting, to acquire a maximum number of Class B shares so that the Company’s holding of treasury shares at no time exceeds 10 per cent of the total number of shares in the Company. Acquisitions shall be made on Nasdaq Stockholm in accordance with the exchange's regulations and may not be acquired at a price higher than the higher of the price of the last independent trade and the highest current independent bid on the trading venue where the purchase is carried out. Acquisitions may not be made at a price lower than the lowest price at which an independent acquisition can be made. Acquisitions are to be paid for in cash and may be carried out on one or more occasions.

The Board also proposes that the Annual General Meeting authorises the Board, prior to the next Annual General Meeting, to divest Class B shares held in treasury by the Company in a manner other than on Nasdaq Stockholm. This authorisation may be utilised on one or more occasions and encompasses all shares held in treasury by the Company at the time of the Board’s decision. The authorisation also entitles the Board to decide to deviate from the shareholders’ preferential rights and stipulates that payment may be made by other means than money.

The purpose of this authorisation is to be able to adapt the Group’s capital structure and to pay for future acquisitions of businesses and operations using treasury shares. Holdings of treasury shares are also used to secure the Company’s possible future obligations under share-based incentive programmes.

A resolution on the Board’s proposal in accordance with the terms above requires the support of shareholders representing at least two-thirds of the votes cast and the shares represented at the Annual General Meeting.
